## CONTACT US

## Rules and expectations

- Only currently enrolled MECO and SCA students may borrow equipment.
- You must bring your University Student ID to the counter when you collect your booking.
- The person whose name is on the booking is responsible for the equipment, including replacement/repair costs should anything go wrong.
- Your booking is time-specific – meaning you are expected to pick up and return your gear at the times specified in your booking. If you will be late, please call or email to let us know!
- Bookings may be extended at the Loans Store's discretion. Extensions are dependent on demand.
- You will not be permitted to return equipment that is badly packed or messy, or incomplete kits. You will be sent away with the equipment to repack or to find the missing parts.
- Please do not return other people's gear along with your own (it gets too messy at the counter).
- You are expected to have working knowledge of the equipment you are borrowing. Some equipment requires induction from your teaching team before you can borrow it.
- Please check your gear before you leave the Loans Store to make sure all parts (including batteries) have been provided.

## Suspensions and bans

- Returning gear late without notifying us will result in your account being suspended for two weeks.
- Two suspensions within 6 months = no extensions on your loans for the remainder of the semester
- Three suspensions within 6 months = complete ban on borrowing for the rest of the semester
- Dumping gear outside the Loans Store unattended will result in an instant ban for the remainder of the semester.

\*Suspensions are counted within a 6-month period, but your record is permanent. Suspensions may affect future requests for extensions, special equipment requests, etc.
